

Please join in on the 38th Annual Umpqua River clean-up day!

Show your appreciation for the Natural Beauty of the Umpqua River

Umpqua Watersheds and the **Native Fish Society** is kindly asking for volunteers to help clean up the shores of the Umpqua River from the Headwaters to the Sea.

If you need some help picking up your trash or if you need bags, call Bob - 541-679-7077.

There is a lot of trash that needs to be removed before the high water comes. This not only cleans our area, it also helps keep the ocean clean, protecting wildlife and fish.

Contact a coordinator in your area to find out how you can help, or where the garbage can go after the clean-up.
